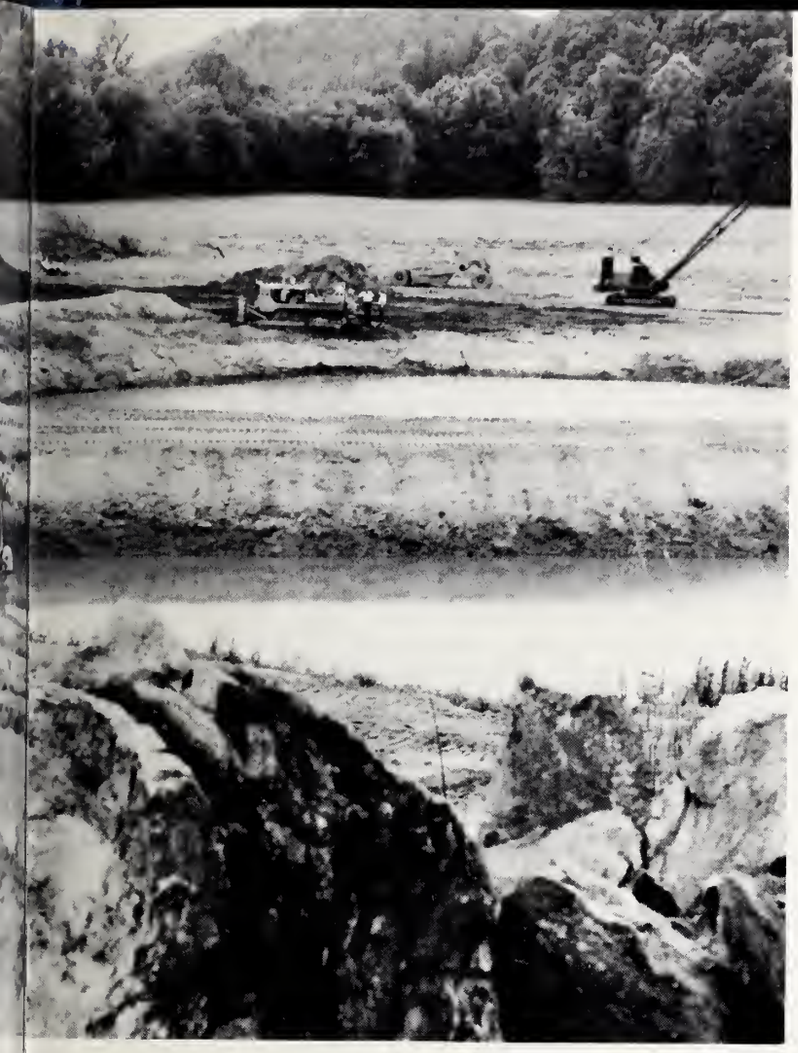
Shining On

In the beginning
there was a glimmer,



A faint spark
lacking the luminosity

of modern buildings,
and up-to-date labs.

But an idea, a dream
ready to burst into reality.

The spark grew into
a flame —

And from the radiance
there came forth
a learning institute,
a college —
a community college —
Wilkes Community College.

BULL

Then as a decade passed,
each participant prismed
a ray and added
luster and distinction
to the rapid expansion
of the flame.

Who's Who in A

One of the greatest honors a student of Wilkes Community College may attain is that of being selected as one of the group to be listed in the national volume "Who's Who Among Students in American Junior Colleges." These students have been selected for this distinct honor by a committee composed of representatives from the administration, faculty, and student body of the college. The criteria for the selection of these individuals were scholastic achievement, participation in extracurricular activities, citizenship, services to the college, and usefulness to the society of the future.

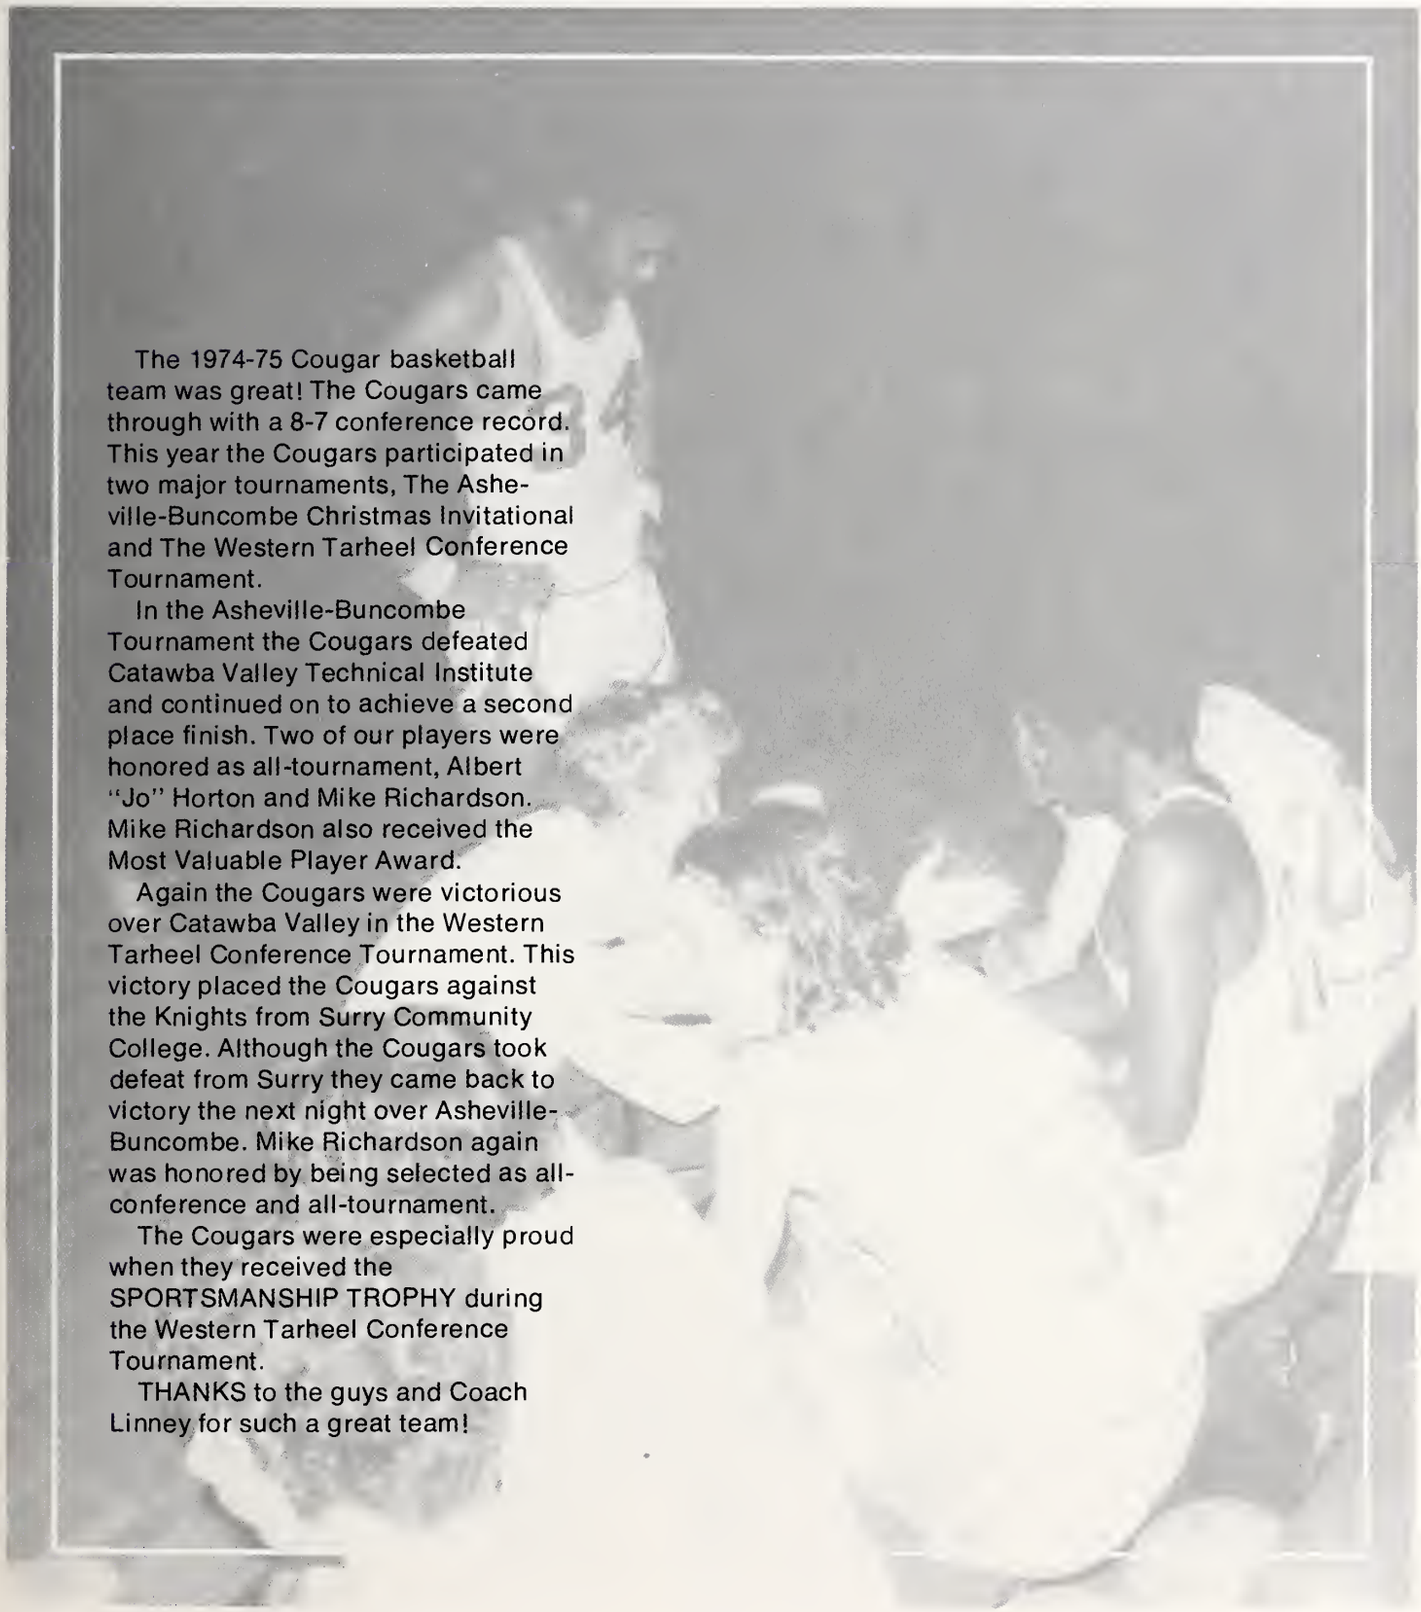
Sports



The 1974-75 Cougar basketball team was great! The Cougars came through with a 8-7 conference record. This year the Cougars participated in two major tournaments, The Asheville-Buncombe Christmas Invitational and The Western Tarheel Conference Tournament.

In the Asheville-Buncombe Tournament the Cougars defeated Catawba Valley Technical Institute and continued on to achieve a second place finish. Two of our players were honored as all-tournament, Albert "Jo" Horton and Mike Richardson. Mike Richardson also received the Most Valuable Player Award.

Again the Cougars were victorious over Catawba Valley in the Western Tarheel Conference Tournament. This victory placed the Cougars against the Knights from Surry Community College. Although the Cougars took defeat from Surry they came back to victory the next night over Asheville-Buncombe. Mike Richardson again was honored by being selected as all-conference and all-tournament.

The Cougars were especially proud when they received the SPORTSMANSHIP TROPHY during the Western Tarheel Conference Tournament.

THANKS to the guys and Coach Linney for such a great team!

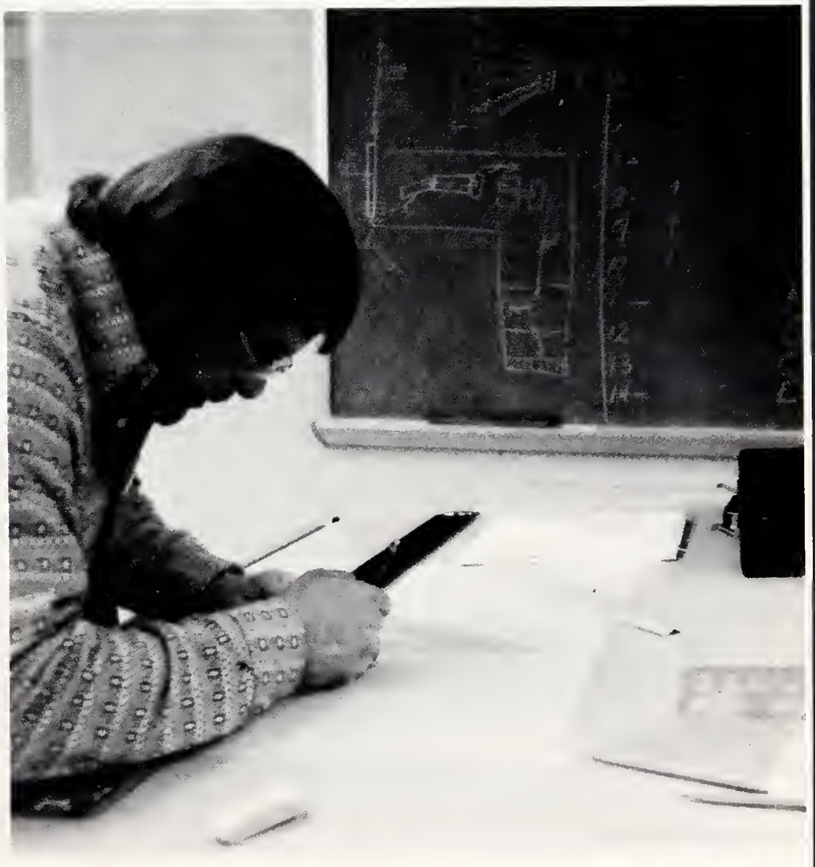
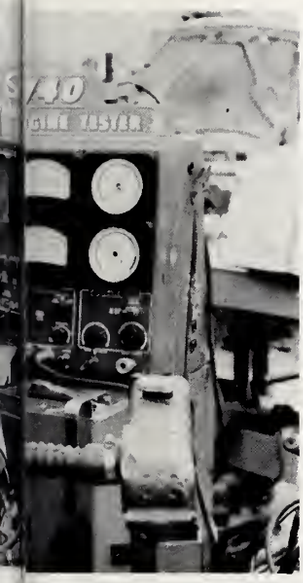
Mrs. Margaret R. Lovette was a charter member of the Board of Trustees. Her contribution to the educational citizenship of Wilkes County is both numerous and significant. Mrs. Lovette played a major role in establishing the College on its present site. All of us are mindful and grateful for her great contribution to our institution.

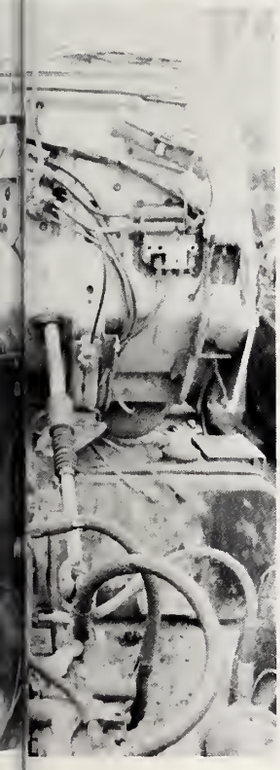
This morning it was a faint spark

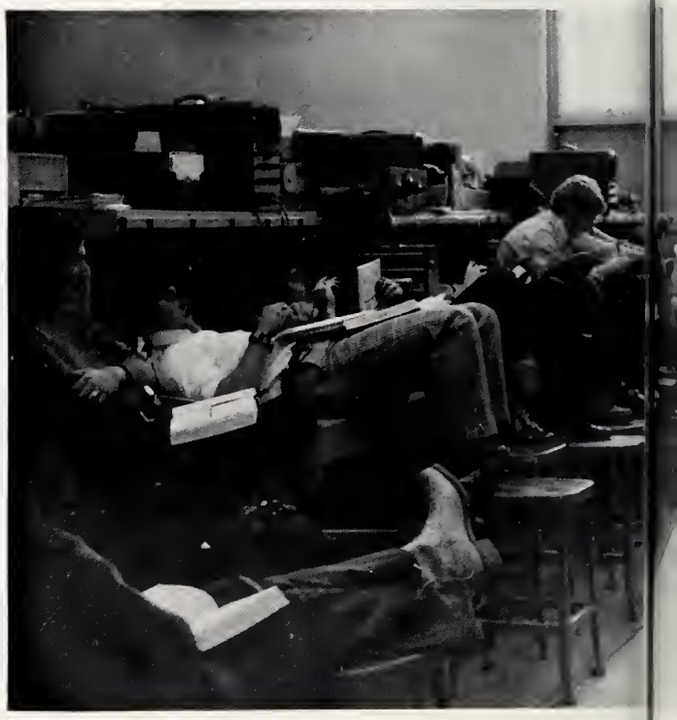
Midmorning brought questions

At noon it was . . .





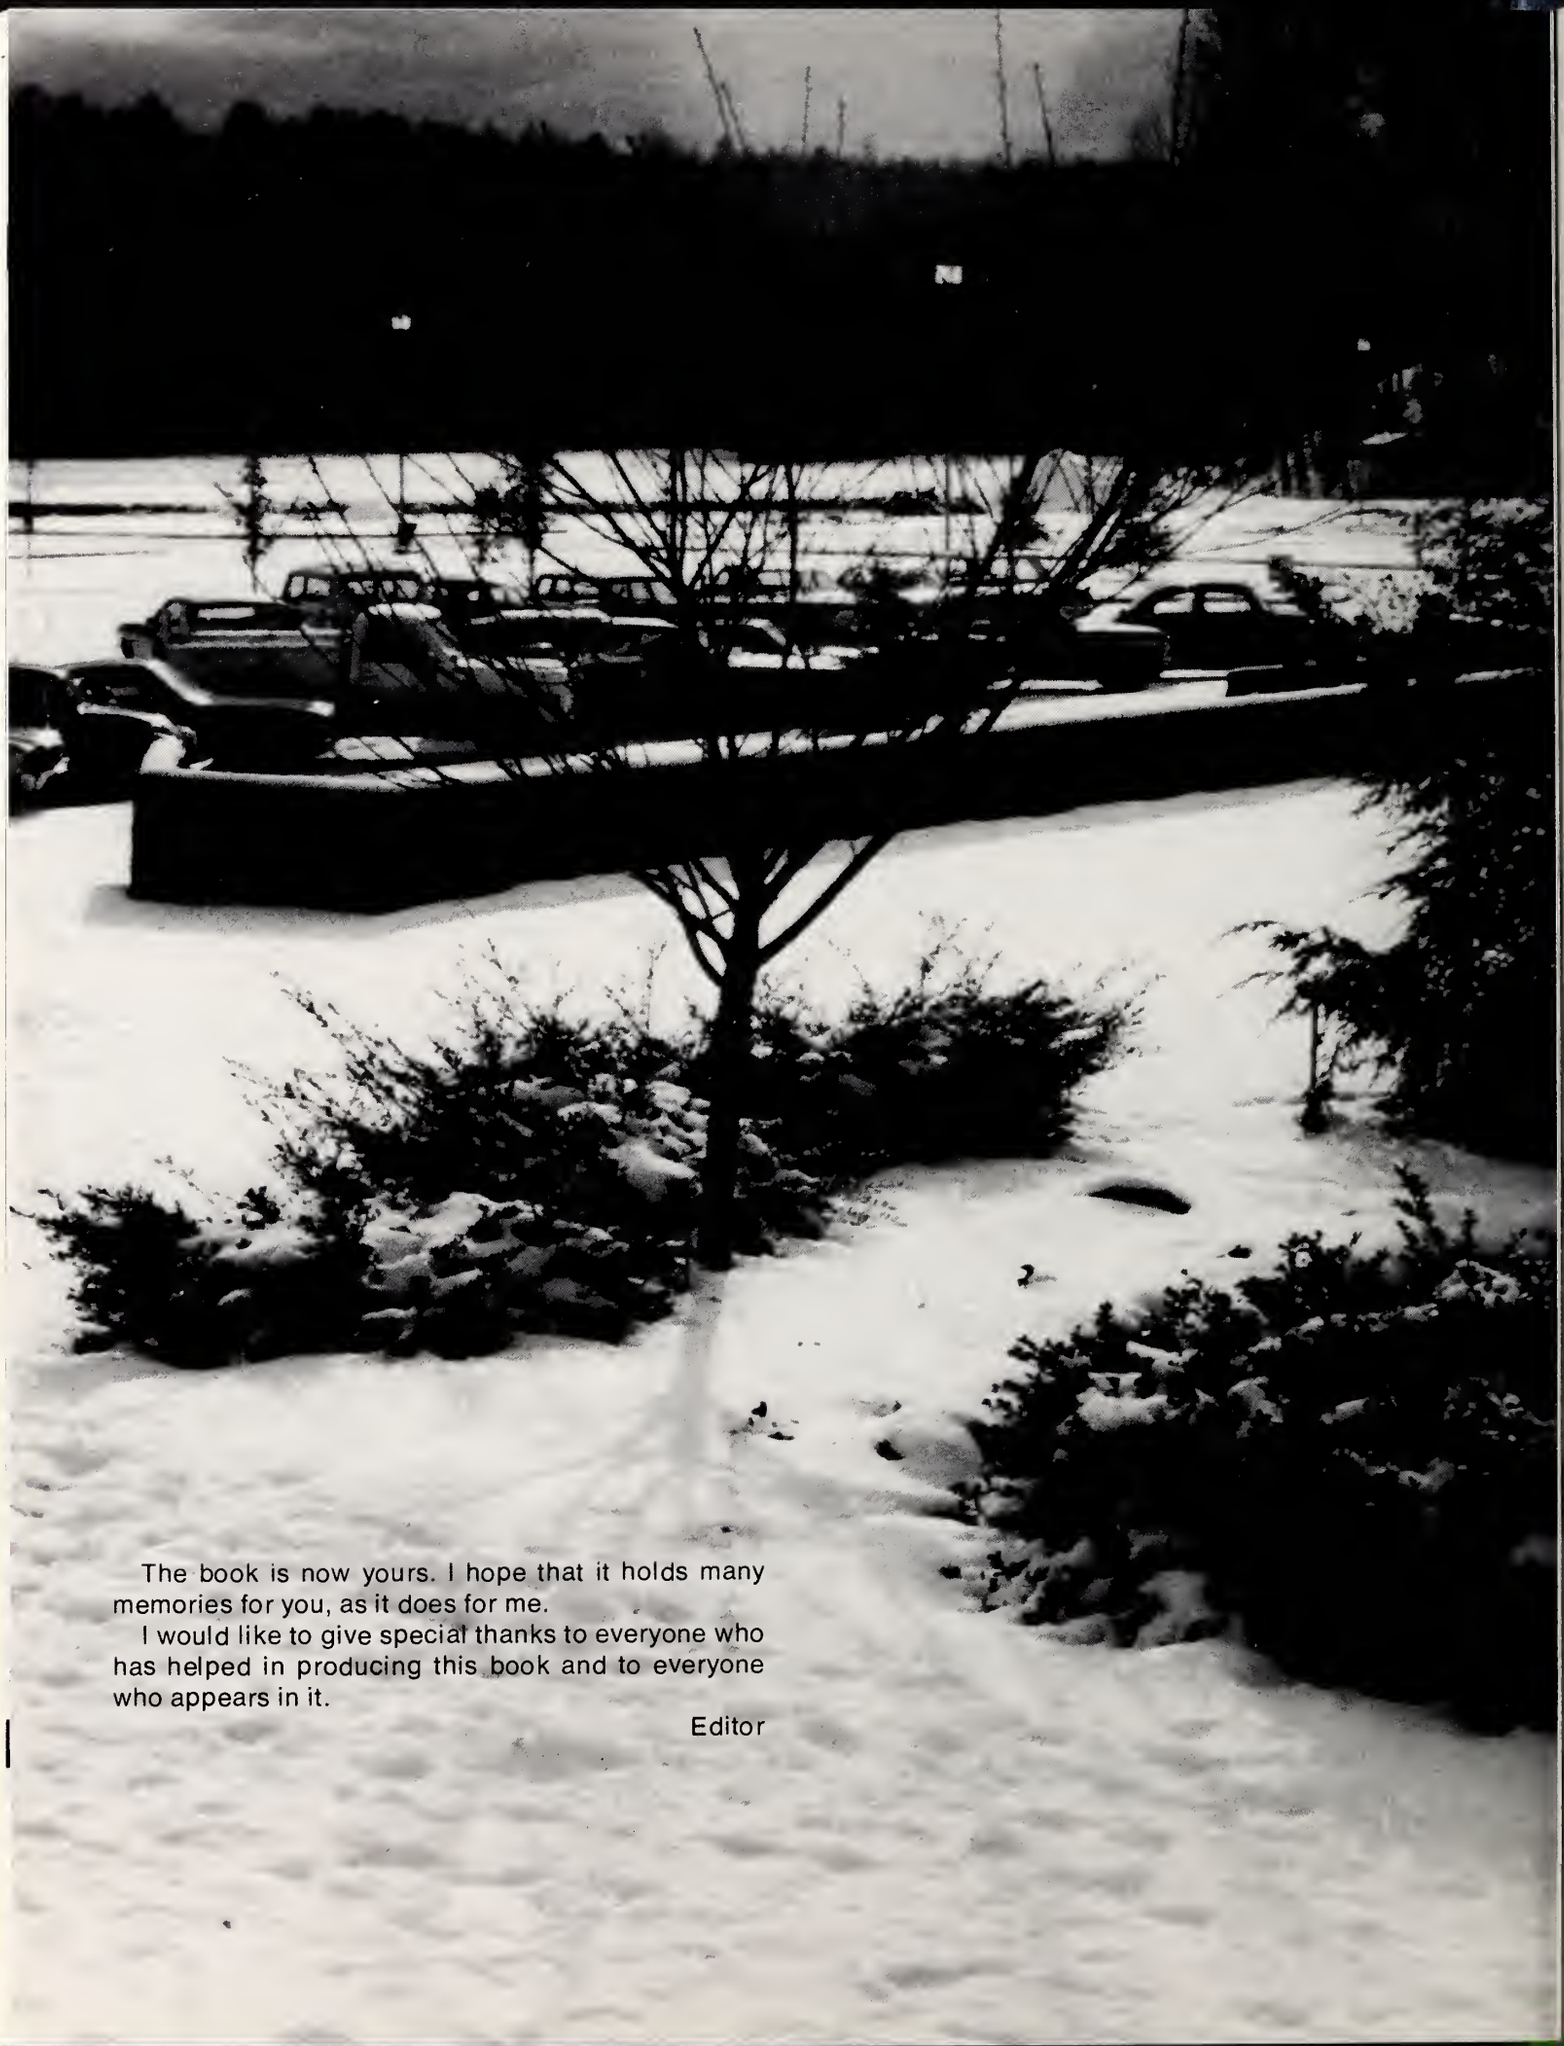




research and practice

Afternoon it began
to sink in

By evening it was
Knowledge



The book is now yours. I hope that it holds many memories for you, as it does for me.

I would like to give special thanks to everyone who has helped in producing this book and to everyone who appears in it.
